BREAK OUT
BREAK THROUGH

Since day one, WCDE has centered our events on the belief that excellence lives in every dancer. We also understand that ability level comes in many varieties. That's why we have re-mixed our workshops to include advanced and specialty classes for those who are ready for the challenge.

Each Breakout Class is designed to help you unlock and unleash the forces inside that can help you break through any limit and reach the next level of your dance excellence.

We hope you join us this weekend and break through the barriers that lie in front of you and maximize your own potential.

HOW DOES THE BREAKOUT BALLROOM WORK?

The Breakout Ballroom is for teen and senior students (with the exception of the **Own It** junior aged workshop) who are ready for an advanced challenge in specific dance styles and/or concepts. Each studio will receive an allotment of Breakout Class Cards for each Breakout Class. Students will be invited by their instructors to participate in Breakout Classes.

Breakout Class Cards are required for admittance into these workshops. – For more information, please visit the **registration booth.**
